

MEASURE	EARLIER	LATEST	CHANGE
US STUDY ABROAD (CONT.)	2005	2024	
What US students study abroad			
Business and management	17.5%	21.7%	+4.2 pp ▲
† Open Doors revised its field classifications in 2014, so values before and after that year are not strictly comparable.			
Note: Historical comparisons use the endpoints shown in each subheader; PISA = Programme for International Student Assessment; ROW = rest of world.			
Source: Derived from the current report Figures and Tables: Figures 4.02, 4.07–4.09 and Tables 4.02–4.04.
